Charly,

Attached here is the quote you requested for some "spare parts" for minor window treatment repairs.

Let me know if you would like to proceed with this? If so, you can either send a PO or I can send you a one page form we can use for small orders like this.

Thanks!

Charly,

We don't really have a parts list or anything like that.

I did send a request to our team to get a quote for the main parts used in your original order (wall brackets, carriers, track, batons). I told them to add any other items that are known to need repair, so we will see if they have other suggestions.

I'll forward the quote as soon as I have it. It's typically about 7-10 days.

Thanks

Thank you,

That would be amazing! Yes, please. I am also looking to stock the brackets that attach the track to the wall.

Do you have a pats list you can send?

Hi Charly,

Sorry for the delay in getting back to you, I was out on vacation last week and just catching up on emails today.

To clarify - do you want me to send you a quote for attic stock "parts"? (track and carriers?)

Thanks!

Thank you,

Subject: Product Questions

Hello Leslie!

I wanted to inquire about the spacing of the push buttons to hang the curtain to the string line carrier. I get the option for 2.13”, and 2.63” (2 5/8)

Basically, I am looking to stock parts to replace and repair as needed. Currently, I am looking for the wheeled carrier (string), and track info as well. Images below for reference:

- Ripple Fold Wheeled Carrier
- 2.13" Spacing 100% Fullness

Please and thanks!
