Fabrics switches must be submitted with purchase order identifying the corresponding product face and direction pattern to be applied to product. BWS will not begin production until switches and information are received.

has been received. Yardages are estimated based upon sizes and specifications provided. BWS will not be responsible for any Excess COM will be shipped to the property with the order upon completion of the project unless otherwise specified in writing.

Excess COM Will be shipped to the property with this order upon completion of the project unless otherwise specified in writing.
Silk Fabrics / Taffetas and Other Specialty Fabrics : When sewing silk fabrics and taffetas, there is a tendency for creasing/puckering which is inherent to the fabric and cannot be avoided or removed by methods such as steaming.
