The 25% import tax on aluminum and steel materials will remain at 25% as long as the export of the tracks takes place in kits at the same time as the draperies.

BWS will not begin production until swatches and information has been received. Yardages are estimated based upon sizes and specifications provided. Silk Fabrics / Taffetas and Other Specialty Fabrics : When sewing silk fabrics and taffetas, there is a tendency for creasing/puckering which is inherent to the fabric and cannot be avoided or removed by methods such as steaming.
