COM FABRICS STORAGE: BWS will storage the C.O.M. fabric without any cost during 8 weeks (2 months); starting the week number 9 of storage, BWS will charge a fee.

COM FABRICS: BWS will not be responsible or liable for any shrinkage, discoloration, defects or other issues associated with or relating to the use of Customer's Own Materials and will only warrant workmanship as it does not apply to COM.

Fabrics swatches must be submitted with purchase order identifying the corresponding product, face and direction pattern is to be applied to product. BWS will not begin production until swatches and information

has been received. Yardages are estimated based upon sizes and specifications provided. BWS will not be responsible for any additional fabrics/trims required.

Excess COM will be shipped to the property with the order upon completion of the project unless otherwise specified in writing.

Silk Fabrics / Taffetas / Mesh fabrics and Other Specialty Fabrics : When sewing silk fabrics and taffetas, there is a tendency for creasing/puckering which is inherent to the fabric and cannot be avoided or removed by methods such as steaming. Mesh fabrics type are unstable as it tends to stretch and shrink; finished length of drapes using mesh fabrics can vary considerably.
