Hello Corey,

Order well received, we will send a quote accordingly.

[@Zaid Montoya](#), could you please confirm if a PVC faux wood cornice is feasible at 103.5" w for these model rooms?

Abel,

Are you saying that a faux wood cornice cannot be manufactured at 103.5"? I am not sure what Zaid is attempting to ask me and I want to make sure I answer correctly.

Thank you,

Corey Reiter
