Hi Julian,

I have been told that OUTBOUND YOSEMITE is still under construction and therefore cannot provide lodging. Please make arrangements elsewhere and bill this to the project. They have recommended some nearby options: Options along Rt 41 are Hampton Inn, Holiday Inn, Best Western.

Please let me know if you need further information.

Thank you,

Hi Julian,

Our client for OUTBOUND YOSEMITE has confirmed that drywall and trim completed and they would like to confirm the field measure for November 5th or 6th ideally. However, if these days are not available anytime between 11/3 and 11/14 will work as that is when the site contact, Jessica Cockrell, will be onsite.

Note that the CONFERENCE CENTER motorized coupled roller shades on attached quote **38818 B** are also to be measured at that time. Camille will be revising the PO to include this area.

Installation is expected to be mid-January.

Thank you,

Wendy

Hi Armando,

Yes, these shades will be 5% screen/White.

The last I checked the property was not ready for measure yet and said they would let me know when they were. That was a while ago and I don't think we have heard anything further so I will check again on Monday. The project has been delayed a number of times, so I also need to ask their new expected delivery date.

Thank you,

Wendy

We're ready to start working on it. Before we begin, please send us the following information:

- What estimated date do you have in mind to schedule the measurement visit, assuming the windows will be ready?
- Regarding the rollers, can you confirm if you want Screen White White 5% fabric for the following areas:
DR-02
DR-04
DR-06
- Do you have an estimated date for when you would like to start the installation?

Looking forward to your reply.
