Hi Franky and Brianna,

Attached is our quote for the Sprigg Adu residence in San Diego CA.

Please be aware that our fabric supplier lead time is around 10-15 days so, if you need the installation before the Thanksgiving holiday it will be kind of tight; we will do our best effort to work with our supplier and expedite the shipment.

Unit prices include the standard duties and new tariffs per president's Trumps, also includes an expedite fee.

We will need the P.O. and prepayment as soon as possible, today or no later than tomorrow, to be able to have the opportunity of installing on 11/26 or during the morning of 11/27.

Kind regards,

Julián Higuera
