I hate to pester, but did you get any word back on this Fascia. I can't enter this order until I get this PO to read 3" Fascia not 2".

Thanks,

Hi Shelley-

Thanks so much for bringing this to my attention! I can't imagine there will be an issue; BUT let me confirm with design and ownership!

Thanks, Lena

Lena,

I wanted to bring it to your attention that our Standard fascia on a Single Roller shade is 3" Fascia. You PO states a 2" and we don't have 2", will the 3" fascia work for you?

Thanks
