Good morning Heather,
I am requesting to order, per the revised and attached Quote. We would like to adjust the height to 152" for all, and waive the measuring fee.
New total is \$7516. Would you like a deposit to proceed, or payment in full?

Thank you,
Kim

Kim
Shawn is calling you to go over a couple of fine points- here is a comment from quotes and the updated Quote.

Thanks !

Please note that per the fabric company's website [Halina](#) the fabric is intended to be railroaded to achieve a vertically oriented stripe. Due to the revised height on these treatments, railroadng the fabric is N/a so the fabric will have be turned running up the bolt, creating horizontal stripes.

Hi Kimberly,

You would still need to order the fabric separately as we do not have a relationship with Carnegie. Our quote will have estimated COM requirements for you.

I changed the Email Heading to avoid confusion with Halls Catch.

The fabric is Carnegie, Halina #36915-332 RAILROADED (same is previous for Halls CHOPHOUSE—not Catch) Same fullness. Do you order the fabric, or do I need to do it separately?

I don't think it is necessary to re-measure if you have a record of what they were last time. I forgot the young man's name—but he took all the measurements when he came to measure for Catch.

This was quite a while back, but I would like to see if you or Tyler still have a quote for the drapery replacement at Halls Chophouse, which he measured while also measuring for Halls Catch. Hi Shelley,

Can I call you to give it to you over the phone? We had some fraud issues recently and my supervisor would prefer I not email the cc information.

You don't often get email from kmoon@garvindesigngroup.com. [Learn why this is important](#)

Shelley and All,

At this time we need to issue payment in full, for the **trip and measuring only**. We have added another drapery track, and that quote is in process with your team.

Once we have that quote, we will issue the full order. At this time, if you would please contact Kellie Savage, for the **\$1200 payment via credit card**, so we can get scheduled for measurements on July 17, when I will be in Nashville, with the Owner.

Thanks All for your assistance in working through

Kim
