@Mark Noble the customer sent us the wrong fabric on the previous order (RWP1314 / 25-040) and they have placed this order (RWP1717 / 25-481) for remakes of the just the draperies. They are sending us the correct fabrics, and that is the only change. See attached, the original order which will only need the new fabrics. We do need to take photos for approval prior to shipping. I'll attach this in BMX as well.

Thank You,
