Perfect! Those need to go with PO#29913 RSP Admin RENO that you received by Old Dominion on 7/18. Draper order#130637.

@Ember Murphy, draper just updated there hold down brackets and this order we received did not have them so they shipped them separately. These are not a charge from Draper and are not part of the original PO. We are going to swap the hold downs that came with the shades with these.

Thanks,

David Storm

Not sure what this is, do we have a photo of what is in the box? I can reach out to Draper and see what it is.

Thanks,

David,

Our warehouse received a Draper shipment with loose parts containing this packing slip.

I can't locate this SO Number on our account online with Draper. Do you have any idea what this is for?
