Please update the Install Date in BMX.

I run a report on that date to confirm pending install billings.

Thanks,

Ember Murphy | Accounting Manager

Ember, when an install occurs, I always send the billing email, as well as marking the install as “ready” in BMX.

This install is scheduled as follows. Ph 1 installs 9/13, Ph 2 installs 10/25.

Thank You,

Kelly Caldwell | Project Manager

Kelly,

The install date on this job is listed as 8-27-2025. Please provide status. We have not seen any install expenses posted.
