Good morning Kelly,

Please see attached for the room matrix and below for the link to the floor plans. The file is too large to attach to this email and the link is only good for 3 days.

All 4 buildings have the same layout, but the ADA rooms are scattered.

Building E – 111

Building F – 121

Building G – 101

Building H – No ADA

Building E starts becoming vacant the week of 10/13/25 if you can schedule for someone to come out and measure, they shouldn't have a problem accessing the units on that Monday if needed.

Thanks,

Christopher Chan
