Angela,

Thank you! Yes, if you can send an updated PO, I will revise the Proforma Invoice and reissue to you.

Ember, this invoice is not correct for the PO. The quote has been updated and the quote 25-827 was updated. I will send a PO and if you can resend the invoice I can get it over to accounts payable to take care of this. There was a living room Valance added and the pleats were changed from Box to Kick.
