Yes, please proceed. Left hand tilt on this blind only. I'm sure they can just pop it up using the same clips?

I can place the order for this, but I am not sure that it will be shipped before we have Brian down there to install the other items. Please verify that you want LEFT HAND TILT.

Let me get this ordered and see how long it takes to get it shipped; I will get you a Completion date on this Blind. 😊

Thanks,

Hi Shelley,

This is approved. Could you please add this to the order and ensure this gets installed in unit 401?

Okay, sorry it took so long, I got it approved at No Mark up and Cost only.

To order a new 2" Faux blind the same dimensions, with shipping and handling would be \$207.00

Let me know if you have any questions.

Thanks,

Hi Shelley,

We have one unique ada room which will require the wand be located on the left side vs the right.

How is the timing coming along?
