Warranty: Solely for purchases made in Canada warrants to the original resident purchaser that any unit is free of manufacturing and/or material defects. Agrees to maintain a one (1) year labor warranty for any work that we have performed on your window treatment. The components of the Blinds & Shades are warranted to be free of defects in materials and workmanship for Life Warranty. One (1) year fabric warranty for Zebra blinds/ Roller shade/Vienna shade(NO COLOR CHANGE). One 1 year warranty for draps and sheer (NO COLOR CHANGE). *All defects by human damages are not under warranty.

Starlight Shutter Inc. Guarantee & Warranty

Our Quality & Price Commitment

We stand by our competitive pricing and craftsmanship, ensuring you receive the highest quality window treatments tailored to your needs.

Warranty Coverage

1. Lifetime Warranty

- All mechanisms and structural components of blinds, shades, and shutters are covered by a lifetime warranty.

2. Labor & Fabric Protection

- Lifetime labor warranty on installation services performed by our team.
- 1-year limited warranty on fabrics for Zebra Blinds, Roller Shades, Vienna Shades, Drapery, and Sheer products (color consistency guaranteed).

3. Exclusions

- Damage caused by improper handling, accidents, or non-residential use is not covered.
- If the customer fails to comply with the "Media and Public Statement" clause, resulting in damage to the brand's reputation, Starlight Shutter Inc. has the right to suspend or terminate the relevant after-sales service.

Order Terms & Conditions

1. Custom-Made Policy

- Your order is manufactured to your exact specifications. Measurement is required before production begins to ensure accuracy. Once production starts, changes, exchanges, or refunds cannot be accommodated.

2. Payment & Timeline

- 50% deposit required at order confirmation; remaining balance due upon installation.
- Orders are completed within 2-5 weeks from the order date.

Safety Notice

WARNING – STRANGULATION RISK

Children may be harmed by loose cords. Ensure cords are shortened to ≤ 22 cm or loops are ≤ 44 cm if accessible. Remove or secure cords immediately to prevent hazards.

Customer Acknowledgement

By proceeding, I confirm:

- I have reviewed measurements and design details with a Starlight Shutter representative.
- I understand that custom orders are final sale and cannot be altered after production begins.
- I accept the terms of warranty coverage and exclusions.
- I agree to contact Starlight Shutter Inc. directly to resolve any concerns before sharing feedback on public platforms.
- I will not use Starlight Shutter Inc's intellectual property (e.g., designs, branding) for commercial purposes without written consent.

Thank You for Choosing Starlight Shutter!
