TITLE: _____ DATE: 6/4/23

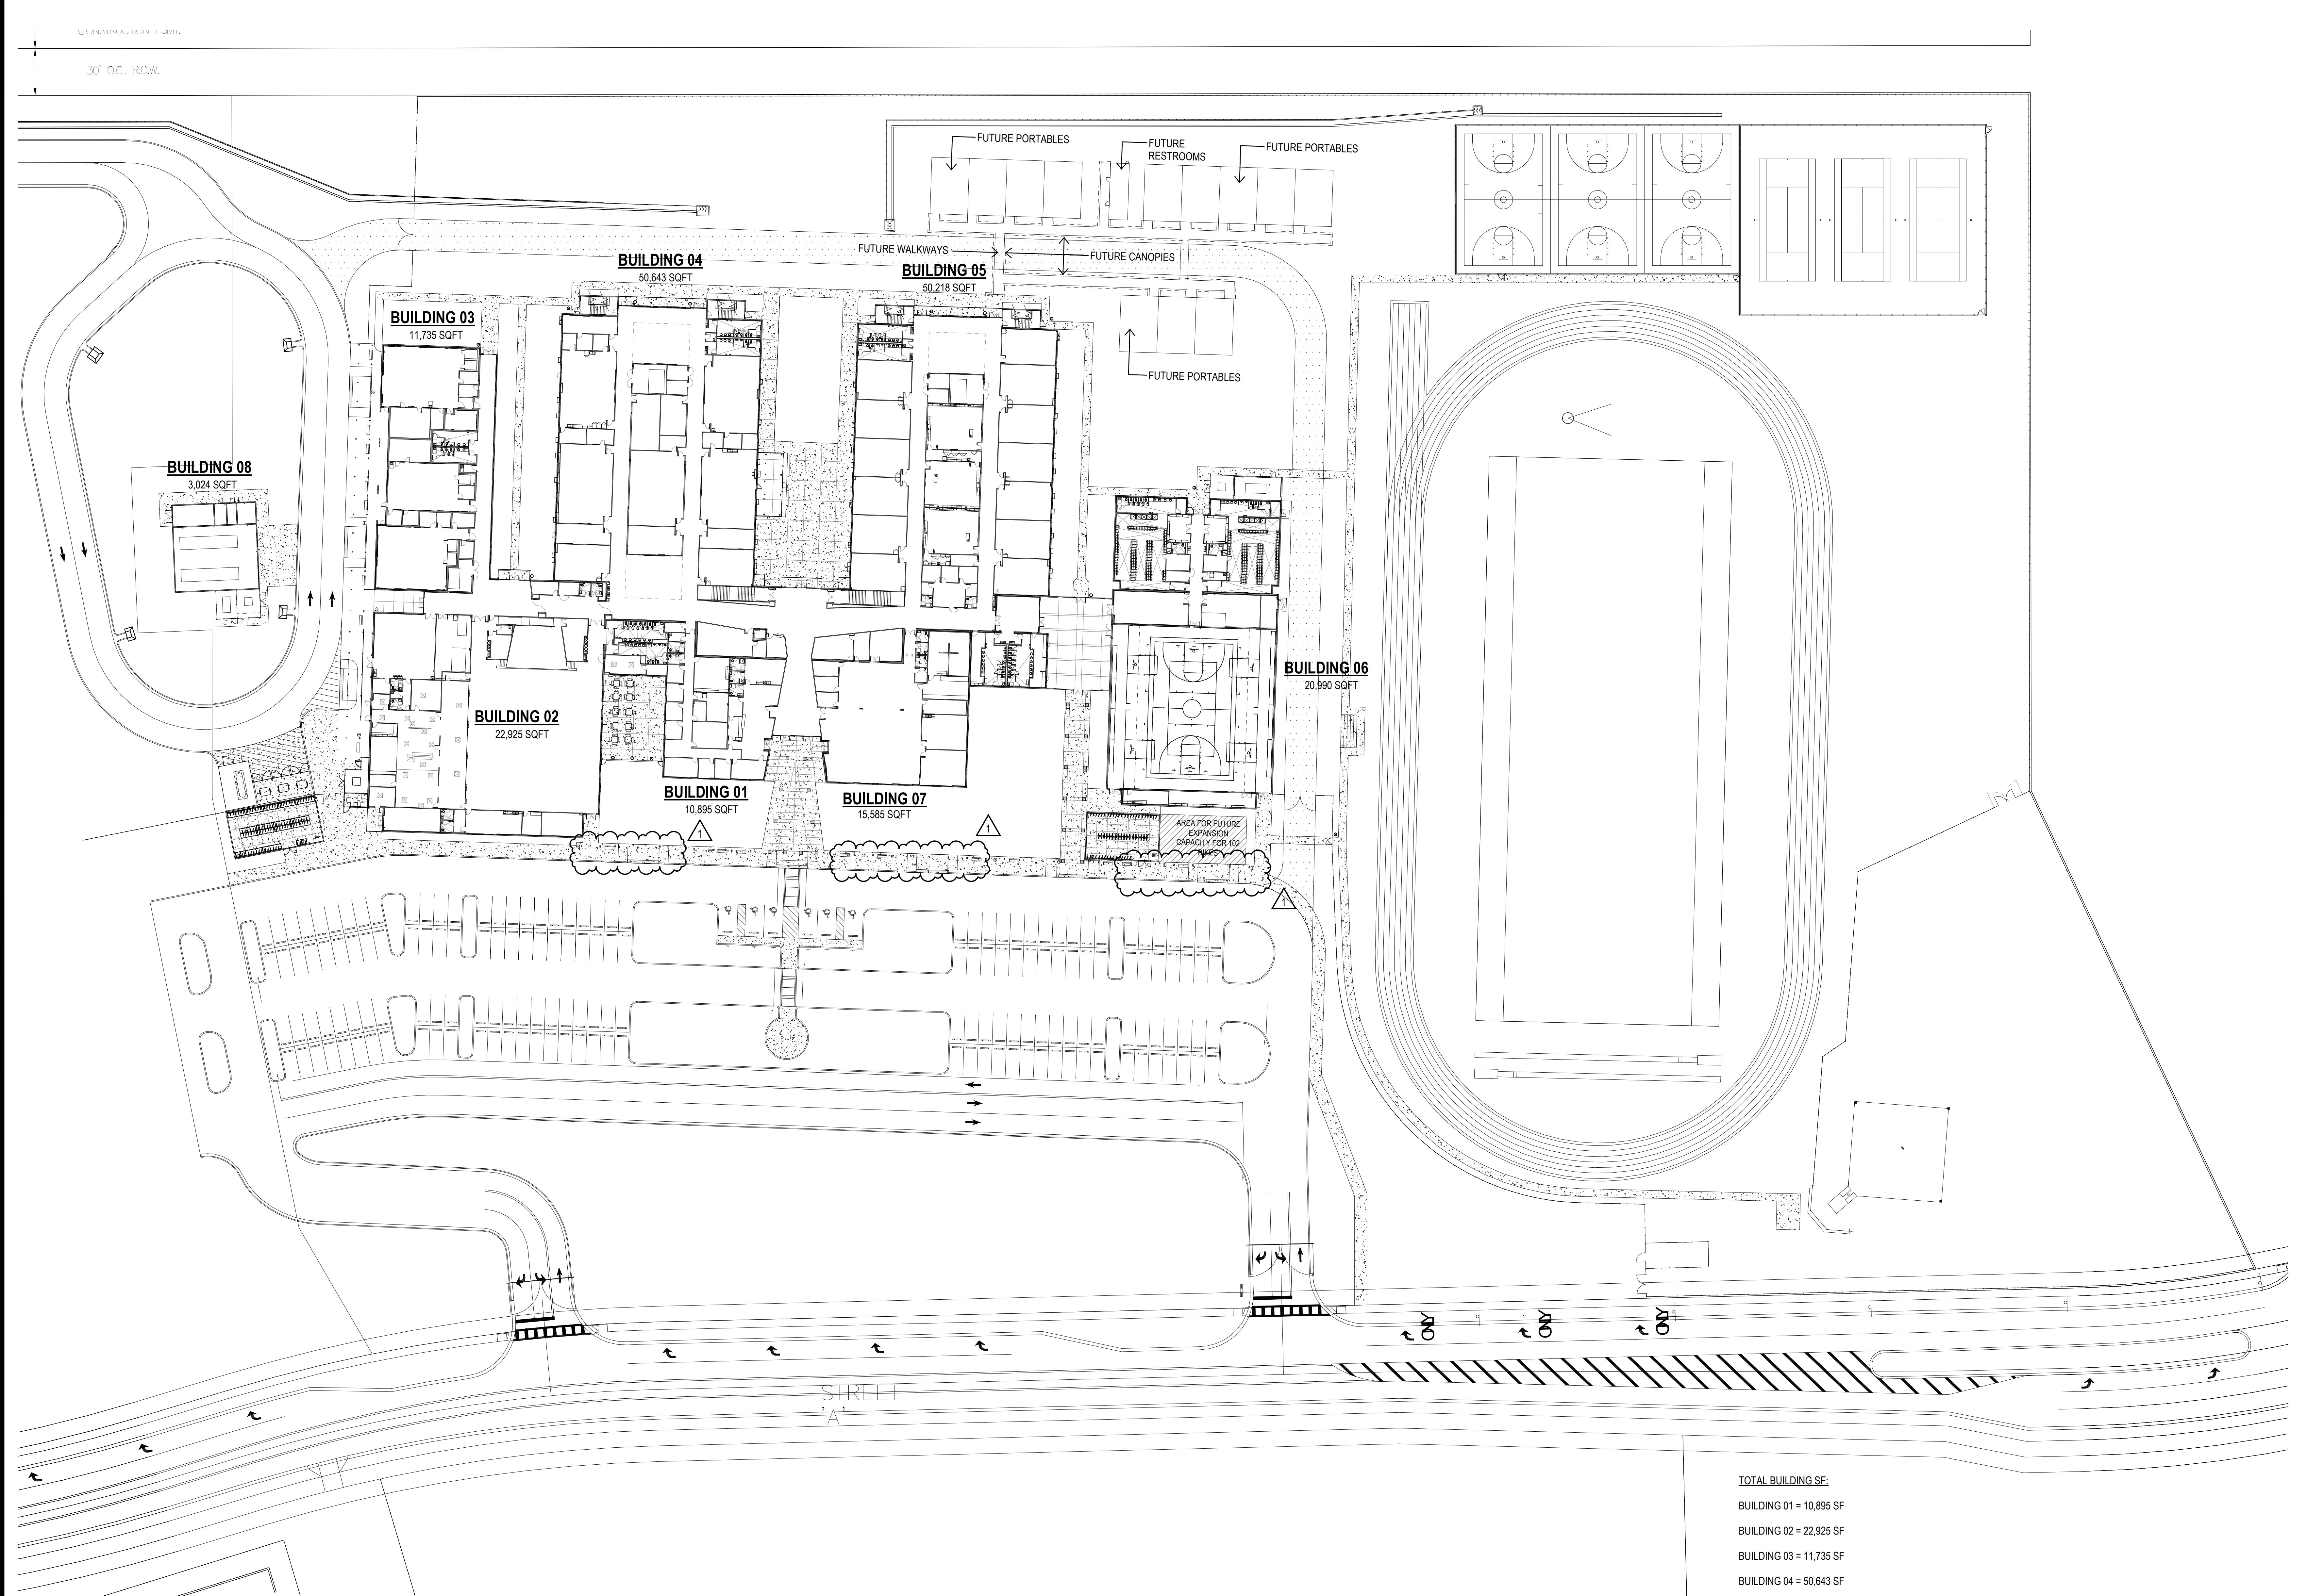

The scope of services requested herein is a secondary quote and the terms and conditions of **shall** be applicable to the scope of services required as part of this Request for Quote.

1. Responses to this RSQ are due at the date on the Proposer Acknowledgement form (page #1) to the Procurement Contact or project contact if less than the defined quoting threshold identified.
2. The price submissions through the secondary quote process will be for a lump sum, not to exceed amount. The Contractor's quote is all inclusive of the scope of work issued in the secondary quote document and any subsequent addendums to the scope of work. District staff may request additional supporting documentation as deemed necessary.
3. A site visit has been scheduled for Contractors to review the site conditions and seek additional clarification of the scope of work to be performed.
4. All work must be permitted through the OCPS Building Code Compliance Office (BCCO) and shall adhere to all applicable codes & OCPS Design Guidelines, as applicable.
5. All employees of the Contractor and subcontractors must have Jessica Lunsford Act (JLA) clearance prior to start of work and display their JLA Badge at all times while on OCPS property.
6. The work schedule will be coordinated between the Contractor, school-based personnel, and OCPS Facilities Services.
7. Quantities and limits of construction shall be verified during site walk-thru by the Contractor.
8. Any demolition, hauling of debris, and cleanup is required to be included in the price submission.
9. The Contractor shall notify and obtain approval from OCPS regarding any changes prior to execution.
10. The Contractor must provide an OCPS certificate of completion for all work.
11. Any engineering services required will be the responsibility of the Contractor, if applicable.
12. The Contractor is responsible for any required utility locates for this scope of work.
13. Repair of all damaged or disturbed areas adjacent to this scope of work shall be the responsibility of the Contractor.
14. Any environmental compliance requirements such as SWPPP, permits, silt fencing, etc. must be included in the quoted price and is the responsibility of the Contractor.
15. Upon completion of all work, the Contractor must provide an invoice NTE the lump sum quote and provide any requested additional supporting documentation.
16. When the Contractor is the sole response on the secondary quote, additional itemized supporting documentation for materials, labor, equipment rental and subcontracting may be required.
