I only have 1 day install last week  
Waiting on Ahren to approve my sale last week (Arch Measurements)  
Also meeting Bob Riggs weds (Check for deposit is pending in office)

Would it be possible to wait to submit my final excel sheet for tomorrow and squeeze it for this Friday payday??? (I no longer am on weekly allowance \$250 so with only the 1 install will be kinda light) Just asking. All good either way.
